

Our Commitment

- ▶ Our vision is to give our patients a better overall eye care experience.
- ▶ We believe we do that through great patient education and by going above and beyond expectations in every thing we do.
- ▶ It is our heartfelt desire to be the eye care provider of choice for you and your friends and loved ones.

About the Doctors

Mike Sowa, O.D.

Pennsylvania College of Optometry, Philadelphia
American Optometric Association
Fellow of the American Academy of Optometry
North Carolina State Optometric Society
Mountain District Optometric Society
Founded Carolina Optometric of Arden in 2000

“I love the practice of optometry and I want to offer everyone what I would want in my eye care. My goal is to spend time answering your questions, discussing your eye problems, and helping you find the solutions that are right for you.”

Sean Skierczynski, O.D.

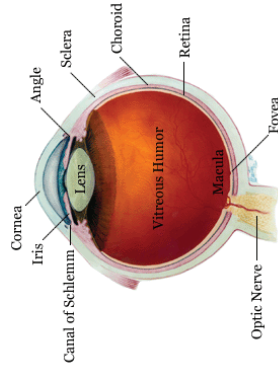

Southern College of Optometry, Memphis
Residency, West Tennessee Eye
American Optometric Association
North Carolina State Optometric Society
Mountain District Optometric Society
Graduate of Robertson High School

“It was always my goal to return home after optometry school. I am blessed to be able to help people see this beautiful part of the country that we live in.”

We care for patients with all types of refractive problems, eye infections and injuries, eyelid disorders, allergies, glaucoma and most eye conditions. We provide diabetic retinal evaluations, cataract assessment and post-op care, refractive surgery evaluations and post-op, evaluations for medications that could affect vision such as Plaquenil, and diagnose and manage all types of eye conditions such as macular degeneration and diabetes. We are also familiar with area subspecialty and surgical care when the need arises and will help you make an informed decision about your options.

Locally-owned and operated.
